Cross Street playground opening soon

Parish Council Clerk, Brian Smyth, Cllr Male Crane, Viridor representative Nick Berry and Cllr John Young inspecting the nearly completed play area.

Work has progressed on Cross Street, Hillstown, to install our new young children's play area. The project is being supported by Viridor. We do not have an official opening date right now, but it is not far off! Once the playground is open, we will be closing the old area at the Hillstown Miners Welfare which has come to the end of its life. Watch our website for details!

SCARCLIFFE'S NEW SHELTER

Our latest new bus shelter has been located on Main Street, Scarcliffe, below St Leonards Church. It replaces the old one which had become dilapidated over the years. Work is being completed to provide electricity so we can install a DEFIBRILLATOR at the shelter.

FINDING A DEFIBRILLATOR

Our new life-saving defibrillators are now available at : **Palterton Village Hall and Hillstown Methodist Church.** One of them has already been used. Scarcliffe's defibrillator is currently located on **Wood Lane**, but will soon be moved to a permanent site at the new bus shelter on **Main Street, below St Leonard's Church.**

PLANTING TIME

Right now, our planters are all full of greenery, but in the next couple of weeks we will be filling them with bedding plants to brighten up the neighbourhood! Look out for them!
